WORK MAT*—The convenient, portable work surface that you can use anywhere!*

Neotech's **WORK MAT** is a great way to protect both your gear and the work surface. The soft rubberized surface grips to keep small parts in place and resists the effects of cleaning chemicals and oils. **WORK MAT**'s neutral gray color makes it easy to see very small items and the textured surface prevents items from rolling away.

Ideal for use at home or in the field, the **WORK MAT** transforms any place into a safe work area. It rolls up tightly and fits in a convenient nylon pouch with a shoulder strap. Take it along on your next outing as you'll find many uses for it. From a portable work area, to a waterproof seat…you'll always be prepared for the unexpected.

The **WORK MAT** is available in three different sizes to meet your needs:

Small: 16" x 24"

Medium: 20" x 32"

Large: 24" x 42")

OP/TECH USA continues to innovate quality products to meet the ever-changing needs of the avid photographer and outdoor enthusiast. We feel you deserve the very best! For more information about our products, please call 800-251-7815, e-mail info@optechusa.com or visit us online at www.optechusa.com.
